

A JONATHAN SCOTT & PHIL BERRY SAFARI AT MFUWE LODGE IN SOUTH LUANGWA

Jonathan Scott, famous wildlife photographer and author of BBC fame from *The Big Cat Diary* and *Elephant diaries*.

Phil Berry, a legendary Zambian safari walking guide, naturalist and conservationist.

Oct 31-Nov 3rd: Chongwe River House has been especially chosen for its size so that a maximum of 6 guests, plus Jonathan can enjoy a private safari. The house stands on the banks of the magical Chongwe River, close to the Zambezi, with a sensational view of the dramatic mountainous escarpment beyond. Many animals come to the Chongwe River to drink and from the deck the game viewing can be as good as any safari activity. On both the mornings and the afternoons of Nov 1 & 2, you will head off in search of game. The Lower Zambezi is famed for its water-based activities and so, as well as game drives there will be opportunities to get out onto the Zambezi and photograph from a different vantage point - or perhaps go fishing. You will have the House & guide to yourselves and so will be able to make it home.

Price: \$3895.00 per person/sharing

November 3-10: Every morning you will be woken early by the dawn chorus. Mornings are cooler and the game is more active, the light perfect for photography. Following a light breakfast you will head off into the park with Phil or Jonathan in search of photographic opportunities and interesting wildlife. Each day will be different with meals in the bush, picnics or lunch back at the lodge. During siesta you will have a chance to unwind, enjoy the Bush Spa, relax by the pool or share stories with fellow travelers. Most days Jonathan will also be available to give one-to-one photographic advice. Another highlight will be before tea each day when Jonathan, Phil & representatives from local conservation organizations (African Wild Dog Conservation Zambia - AWDC & the South Luangwa Conservation Society—SLCS) will be giving talks & presentations. Then, after tea, you will head out once more with either Jonathan or Phil in search of game and night drive back to the lodge in time for drinks & dinner.

Price is \$6,995.00 per person/sharing

November 10-16: You will be taken to Mfuwe Airport to join Phil (& his partner Babette) for a scenic flight up to Shiwa Ng'andu, where you will be hosted by Charlie & Jo Harvey. For 2 days, you will have the run of the house and Sir Stewart's library. Outdoors you can go game viewing, boating, fishing, bird watching, horse riding, on river walks, historical tours of the estate or to the Kapishya Hot Springs. On Nov 13, you leave Shiwa for Kasanka. Your charter flight will stop over enroute at Bangweulu, where you will have the chance to drive amongst massive herds of thousands of Black Lechwe, then fly on to Kasanka for 3 nights. Kasanka hosts a unique wildlife spectacle every year, when millions of Straw-colored Fruit bats assemble to roost in an area of forest there. Join Phil at twilight to watch the bats fill the sky, as they leave their roost site to feed. During the day you will go in search of a variety of unusual Zambian wildlife including sitatunga, Bohm's bee-eaters & Ross's Louries.

Price is \$5,995.00 per person/sharing.
